Welcome from the President

On behalf of Rugby Europe, I would like to extend you all a warm welcome to the 2015 Rugby Europe “Men’s Senior 7s Championships” (Men’s Senior 7s). These Championships comprise the following Tournaments

- Sevens Grand Prix Series – 3 Legs
- Men’s Division A – 2 Legs
- Men’s Division B – 1 Leg
- Men’s Division C – 1 Leg

With the introduction of Rugby Sevens into the Olympic Programme from 2016 in Rio, it is truly an exciting time for our sport. All Rugby Europe member Unions who are Full Members of World Rugby and the International Olympic Committee, have a fantastic opportunity to participate and to dream of representing their country at future Olympic Games.

With this opportunity comes a collective responsibility to represent our countries, our teams our sport in the best possible way so as to attract supporters, television spectators, future commercial partners and most importantly, the next generation of men and women, girls and boys to be encouraged to play and enjoy our sport and its’ unique values.

These tournaments are gaining in profile throughout the world and they represent a wonderful opportunity for these young men to experience the intensity of an international tournament and whilst providing an excellent development pathway to further their Sevens and Fifteens careers on to the global stage.

I would like to place on record my thanks to all of this year’s Host Unions for their commitment to Rugby Europe and to the development of the sport. Staging competitions of this importance and stature is a significant undertaking and we are truly grateful for their efforts.

This Tournament Manual & Participation Agreement includes a list of contacts for key Tournament staff within Rugby Europe and the Host. Also included, are the Tournament Rules, Disciplinary Procedures and Medical and Anti-Doping Regulations. It is imperative that all participants; players, coaches and management digest and understand these rules before your Union formally confirms your acceptance by signing the Participation Agreement. Perhaps most importantly this year, there are specific Eligibility Rules relating to Olympic qualification and it is incumbent upon Unions to understand these fully and ensure compliance.

In addition to this Manual, you will receive a Team Manager’s Handbook from the Host Union, which will give more specific details on a number of the logistical arrangements in place for the Tournament.

I hope you will find the Tournament Manual both useful and comprehensive. If you do have any queries regarding the content or any other aspect of the Tournament, please do not hesitate to contact us.

I wish you joy, and hope that your fair participation will give to the competition the credibility it deserves so that we can further develop and promote our sport to all. Let’s stand united towards 2016.

With best wishes,

Octavian Morariu, Rugby Europe President

Member of the International Olympic Committee

1. Introduction

This Tournament Manual is designed to provide all key details and Tournament Rules for ALL Senior Men's Sevens Tournaments in 2015:

- Rugby Europe Sevens Grand Prix Series (3 Legs)
- Rugby Europe Sevens Division A (2 Legs)
- Rugby Europe Sevens Division B (1 Leg)
- Rugby Europe Sevens Division C (1 Leg)

All of the above Tournaments form part of the European Olympic Qualification process for the Olympic Games. As highlighted in previous correspondence, there are specific Eligibility Regulations relating to Olympic Qualification – See Section 4.

A separate competition Manual will be produced for the European Repechage Tournament which will take place in Lisbon on 18 / 19 July, 2015.

1.1 Terms of Participation

Rugby Europe has been working to provide Terms of Participation that acts as a reference point to all Team Managers and Officials – a single point of reference for all key Tournament Rules and associated World Rugby Laws and Regulations whilst attempting to minimise the number of pages in the document.

In order to minimise the size of this document but ensure that Unions have all of the information required to understand and adhere to all terms, it has been necessary to provide a number of links to key Laws, Regulations and Training Aids as well as providing links to the forms that you will be required to complete in order to confirm that you are eligible and ready to participate.

Team Administration Certification

Along with these Terms of Participation, we will send you a spreadsheet which looks like the old Player List. It will however include a number of additional columns, designed to ensure that you have captured and have all supporting documentation regarding your Players and Management, as required. Whilst incumbent on Team Managers to retain and have available this information at all times for submission on request, it will not be necessary to provide all of this documentation in advance. Teams may be requested to present passports for all players in advance to ensure compliance with Rugby Europe and Olympic Eligibility Regulations.

You will simply need to submit the signed Participation Agreement and the Team Administration Certification.

In signing the Participation Agreement, you agree to all of the Rules and Terms outlined in this document as well as ensuring that you have referred to the additional documentation provided online and via the 'links' provided within these Terms. Further, you must ensure that you have given your players and management the opportunity to review all documents as required in order that they understand the importance of what they are signing.

For the avoidance of doubt, the Terms of Participation consist of

1. This document in its entirety including any links to external sites
2. The Team Administration Certification (Spreadsheet), sent with these Terms
3. All Rugby Europe Forms provided by link from this Manual to the Rugby Europe site.
4. Documentation produced by the Host Union including Presentations and Team Managers Handbooks

Team Managers Handbook / Presentation

These Terms of Participation **will not include** details relating to the local Tournament Organisation and Logistics – these will be provided to you by the Host Union. Team Manager's Handbooks / Presentations will be sent to you in advance of the competition and will include details of:

- Local Organising Committee Contacts
- Liaison Officer Contact Details
- Pre Tournament Meetings
- Match Schedules and Match Venues
- Medical Support, Facilities and Contact Details

If you have any questions relating to Rugby Europe's funding of accommodation and / or transport costs, please contact the Tournament Director at your convenience.

RUGBY EUROPE would like to remind all Unions that all Rugby Europe competitions are played under **ALL** World Rugby Laws and Regulations with specific amendments / variations made, as appropriate and highlighted in these Terms where necessary.

<http://www.laws.worldrugby.org/index.php?variation=2>

Should you have any questions on the content of these Terms of Participation, please do not hesitate to contact RUGBY EUROPE at secretariat@rugbyeurope.eu

1.2 Variations from the Specifications of these Terms of Participation

Rugby Europe reserves the right, at any time (whether before or during the Tournament) to make or vary rules and give directions as to the conduct of the Tournament, or in respect of matters relating to the Tournament, including the contents of these Terms of Participation, in accordance with the Participation Agreement. All such rules and directions when made and communicated are immediately binding upon each Participating Union and each Team Member, and these rules and directions will be deemed to be included automatically within these Terms of Participation.

1.3 Definitions & Interpretations

Definitions and Interpretations of all terms used in these Manual are set out via the following link:

<http://www.rugbyeurope.eu/article-671.htm>

1.4 Post Tournament Report

All Unions are required to complete a Post Tournament Report and submit to secretariat@rugbyeurope.eu no later than 14 days after the completion of the Competition.

Please refer to the following link to download a copy of the Report Template.

<http://www.rugbyeurope.eu/article-768.htm>

1.5 Forms for Completion

Teams must complete all forms applicable to your participation in this Competition.

Some forms will require to be submitted in advance and / or at the Team Managers Meeting whilst, others must be retained by the Team Manager in the event that Rugby Europe needs to see them at any time.

Details of what is required will be stated on each of the forms, all of which can be downloaded via the following link:

<http://www.rugbyeurope.eu/article-768.htm>

Please ensure that you respect the deadlines that are provided in the body of the manual and within each form

2. Annual Promotion & Relegation Process

Annual Promotion and Relegation can apply to all Rugby Europe Member Unions whether they are Full or Associate Members of World Rugby or not.

Sevens Grand Prix Series

The Team finishing in 12th position after three legs, will be relegated to Division A and be seeded Number 1 for the 2016 Division A Tournament.

Division A

The Team ranked first after both legs of the competition will be promoted to the Sevens Grand Prix Series and will be seeded number 12 for the 2016 Series

Teams ranked 11th and 12th in Division A after both legs, will be relegated to Division B and will be seeded 1st and 2nd respectively for the 2016 Division B Tournament.

Division B

The Winner and Runner up in Division B will be promoted to Division A and will be Seeded 11th and 12th respectively for the 2016 Division A competition

The Teams finishing in 11th and 12th place will be relegated to Division C and seeded in 1st and 2nd place respectively for the Division C Tournament in 2016.

In the event that Rugby Europe reverts to a regionalised Division B tournament to replace Division C, the 11th and 12th ranked teams from Division B will be appropriately allocated and Seeded accordingly.

Division C

The Winner and Runner Up from Division C will be promoted to Division B and will be Seeded 11th and 12th respectively for the 2016 competition.

The full make up of the 2016 Division C competition will be known once assessment of the 2015 competition is made and Rugby Europe takes expressions of interest and assesses the ability of Member Unions wishing to compete in Senior Sevens Competitions at this level.

3. Olympic Qualification Process

Only Full and Associate Members of World Rugby may qualify for the 2016 Olympic Games in Rio. Sevens Grand Prix Series

The highest eligible country which has not prequalified through the HSBC Sevens World Series, will qualify directly to the Olympic Games

The second highest eligible country who has not prequalified through the HSBC Sevens World Series, will qualify directly to the World Rugby Global Repechage Tournament in 2016.

All other eligible SGPS countries will qualify for the Rugby Europe Olympic Repechage Tournament (EORT) in Lisbon on 18/19 July 2015.

Note on Great Britain Qualification Process: England are the nominated Union to qualify Great Britain to the Olympic Games. As such, the teams from Scotland and Wales (whilst competing in the SGPS in 2015), will not be considered eligible to qualify directly to the Olympics or to the World Rugby Global Repechage or to the European Olympic Repechage Tournament in Lisbon. Only England has these qualification options available to them, if they do not prequalify through the 2015 HSBC Sevens World Series.

Division A

The Winner of Division A qualifies to participate in the Rugby Europe Olympic Repechage Tournament (EORT) in Lisbon on 18/19 July.

Other countries may also qualify for this Tournament. This is dependent on the number of SGPS teams that qualify for EORT which shall be known at the completion of the HSBC Sevens World Series.

Division B

The highest ranked eligible team from Division B qualifies to participate in the Rugby Europe Olympic Repechage Tournament (EORT).

Note: Unions who are not members of World Rugby may not qualify for the Olympic Games. Currently, Slovakia and Greece are not members of World Rugby.

Division C

The Olympic Process will see the four highest ranked World Rugby Full and Associate Members from Division C qualifying to play in the next phase of qualification; Division B in Zagreb on 20 / 21 June, 2015. Therefore, from this Division, only Bosnia & Herzegovina, Serbia, Austria, Ireland and Malta may qualify for the next stage of the process (Division B) in Zagreb.

4. Eligibility Criteria

IMPORTANT NOTES:

OLYMPIC ELIGIBILITY REGULATIONS WILL APPLY TO THE FOLLOWING RUGBY EUROPE TOURNAMENTS:

- Men's Sevens Grand Prix Series, Men's Division A, Men's Division B & Men's Division C
- Women's Sevens Grand Prix Series, Women's Division A & Women's Division B
- European Olympic Repechage Tournaments in Lisbon on 18/19 July.

TEAMS WHO STILL NEED TO QUALIFY FOR THE OLYMPIC GAMES must adhere to the World Rugby Eligibility Regulations with additional Olympic Eligibility Rules.

TEAMS WHO ARE INELIGIBLE TO QUALIFY FOR THE OLYMPIC GAMES must adhere to the World Rugby Eligibility Regulations without additional Olympic Eligibility Addition.

Consistent with World Rugby's policy for the HSBC World Series (Men and / or Women), SCOTLAND AND WALES are unable to qualify for the Olympic Games as it is England who has been nominated to qualify Great Britain to the Olympic Games through the HSBC World Rugby Sevens and the Rugby Europe Grand Prix Series. As a result, Scotland and Wales will be subject to the standard World Rugby Eligibility regulations without the Olympic Eligibility Rules.

Consistent with World Rugby's policy for the HSBC World Series (Men and / or Women), even in the event that **ENGLAND** has qualified Great Britain to the Olympic Games in Rio via the HSBC World Series, then England will still be subject to participating in the Rugby Europe Sevens Grand Prix Series under World Rugby Regulations including adherence to the Olympic Eligibility criteria.

PROCESS FOR CHECKING ELIGIBILITY

All Participating Teams subject to Olympic Eligibility criteria must send copies of the photograph page of the passport of each player and evidence that the passport is from the country of the Nation for which they are participating to secretariat@rugbyeurope.eu in one zipped file, no later than Friday 29th May.

The final check of player Eligibility to participate will be carried out by the Tournament Director and his / her team at each Team Managers Meeting on the day preceding the Tournament in question.

Teams aiming to qualify for the Olympic Games must bring their duly completed Team Administration Certificate (TAC) document and all supplementary forms. In addition, the Team Manager must present current, valid passports for ALL players in the squad. These passports must be for the country for which the player in question is playing. All other elements of World Rugby Regulation 8 must be adhered to. Any player who is deemed not to have fulfilled all necessary eligibility criteria will not be permitted to take part in the Tournament.

Teams who have pre-qualified for the Olympic Games or Teams who are ineligible to qualify for the Olympic Games, (that is to say those countries who are either not Full Members of World Rugby or not members of the International Olympic Committee or both), may play under normal World Rugby Eligibility Regulations without Olympic variations.

4.1

Tournament Eligibility Regulations

A Player may only play for a Participating Union in the Tournament if s/he is eligible to play for that Union in accordance with World Rugby Regulation 8. The Tournament is an Olympic Event and the additional Olympic eligibility regulations set out in Regulation 8.6 to 8.16 apply in addition to the remainder of Regulation 8. All Players will be required to provide a copy of their passport to the Tournament Director or his nominee.

It is the responsibility of each Participating Union to ensure its Players are eligible in accordance with this Regulation 8. World Rugby (formerly the IRB) prepared the following circular to all Unions which provides guidance to Unions in relation to the eligibility requirements for Olympic events. The letter also provides information in relation to the application of Regulation 9.

Any interpretations and/or rulings of the World Rugby Council and/or World Rugby Regulations Committee which provide further clarification to Unions in relation to the eligibility rules will be circulated to Unions at the appropriate time.

To: Secretaries / Chief Executive Officers of Unions and Regional Associations in Membership of the IRB

From: David Carrigy, Head of Development & International Relations

Re: Eligibility and Release for Olympic Events / Events Subject to Olympic Charter

This letter is intended to assist Unions to understand the requirements of Regulations 8 and 9 in relation to the Rio de Janeiro Olympic Games 2016 and Olympic Events. In the case of Regulation 8 this will also assist for other events subject to the Olympic Charter (e.g. Youth Olympic Games). This letter does not replace or supersede Regulations 8 or 9 or the Explanatory Guidelines thereto.

Regulation 8

The Olympic Events are set out in Schedule 2 to Regulation 8. For the Rio de Janeiro Olympic Games 2016 cycle the dates and locations of those events as presently known are listed in **Appendix One** to this letter. These will also be posted to the IRB website, updated from time to time as appropriate.

With respect to eligibility for these Olympic Events, Unions are advised to note the following:

1. Any Player who has been captured by a Union and wishes to now represent another Union or country in an Olympic Event must meet all of the relevant requirements of Regulation 8 including having his or her case approved by the Regulations Committee.
2. Regulations 8.6 to 8.16 set out the additional eligibility rules specific to Olympic Events. These Regulations must be read in the context of Regulation 8 as a whole, all of which applies to Olympic Events.
3. A set of Explanatory Guidelines specific to the application of Regulation 8 in Olympic Events is set out at the end of IRB Regulation 8 to aid the understanding of these new provisions. Unions should ensure that they read these Guidelines which are presented in a Q&A format. For Unions' ease of reference, the Olympic-specific eligibility provisions of Regulation 8 and the Explanatory Guidelines are attached as **Appendix Two** to this letter.
4. An indicative flow chart diagram has been prepared as a guide for Unions to assist them further to understand the eligibility requirements for Olympic Events. The diagram is attached here as **Appendix Three**. Please note that the diagram is a guide only and the Regulation itself should always be referred to in order to assess individual cases.
5. Any queries to the IRB in relation to eligibility must come directly from Unions. In the first instance the onus is on Unions to consider the specific factual circumstances of the individual case and the requirements of Regulation 8. In the event that a Union requires a ruling it can make an application pursuant to Regulation 2.2.2 to the CEO via David Carrigy for a referral of the matter to the Regulations Committee. Any request for clarification of eligibility must be made at the earliest possible opportunity and at least three months in advance of the proposed participation. Unions should note that the Regulations Committee may not be able to be convened and provide rulings where less notice is provided.

Regulation 9

The Olympic Rugby Sevens event and qualification Matches are Designated Release Events under Regulation 9.6. Unions are encouraged to ensure that they read and are familiar with Regulation 9, in particular, Regulations 9.9, 9.12, 9.17, 9.20-9.25 and 9.29. The IRB highlights in particular the insurance obligations on Unions with respect to Players called up pursuant to Regulation 9 as set out in Appendix 3 to Regulation 9. For Unions' ease of reference Regulation 9 in its entirety is set out in **Appendix Four** to this letter.

Yours sincerely

David Carrigy

REGULATION 8. ELIGIBILITY TO PLAY FOR NATIONAL REPRESENTATIVE TEAMS

- 8.6** To be eligible to participate in the Olympic Games, Olympic qualification events (together “Olympic Events”) or other events governed by the Olympic Charter all members of the senior National Representative Sevens Team(s) of a Union or the selected Olympic Sevens Team(s) of a National Olympic Committee shall comply with Regulation 8.1 and must be a national of the country of the National Olympic Committee which it is representing in such Olympic Events. Regulation 8.2 applies equally to all Players.
- 8.7** A Player who is a national of the country or Union for which he has been captured under Regulation 8.2 and who holds the nationality of another country or Union, may apply to participate in an Olympic Event to represent his new country or Union subject to the following conditions;
- 8.7.1 The Regulations Committee shall consider the application of a Player under this Regulation 8.7 which must be submitted with all relevant supporting documentation by the Union for whom the Player wishes to next represent in an Olympic Event (or a Union associated with the Olympic Sevens Team the Player wishes to represent). The application shall be pre-notified to the Player’s Union (namely the Union whose National Representative Team the Player represented);
- 8.7.2 The Player will be required to observe and demonstrate a stand down period of at least 3 years since the time the Player last represented their former Union and the time the Player first plays for the second Union or country, which must be in an Olympic Event. The Player may not represent the second Union in any other form of the Game until after they have participated in such Olympic Event.
- (a) Solely in respect of the Rio Olympic Games 2016, a stand down period of at least 18 months will be permitted, between the time the Player last represented their former Union and the time the Player first plays for the second Union or country, which must be in an Olympic Event in the Rio Olympic Games cycle, which the Player must observe and demonstrate.
- 8.8** Where the Player is not a national of the Union for which he has been captured under Regulation 8.2, and he meets the Olympic eligibility criteria (in Regulation 8.6 to 8.13) as determined by the Regulations Committee, he shall be eligible for selection to play for the Union / country of which he is a national, in an Olympic Event, subject to satisfying the applicable stand down period.
- 8.9** A Player who is eligible or captured for a Union that cannot participate in an Olympic Event because there is no National Olympic Committee solely for the territory of such Union, may, subject to the Olympic eligibility criteria (in Regulation 8.6 to 8.13), be eligible to play for the Olympic Sevens Team of a National Olympic Committee of which he is a national, provided that such team is not associated with any one single Union. In such circumstances the following provisions shall apply;
- 8.9.1 Where the Player has been captured under Regulation 8.2 for a Union he shall remain captured for such Union notwithstanding the Player’s representation for the Olympic Sevens Team of a National Olympic Committee in an Olympic Event;
- 8.9.2 Where the Player has not previously been captured under Regulation 8.2 and he represents the Olympic Sevens Team of a National Olympic Committee in an Olympic Event he will be deemed to be captured for one of the underlying Unions which support the Olympic Sevens Team of the relevant National Olympic Committee, and the Player must elect which of those underlying Unions he shall be captured by for the purposes of Regulation 8.
- 8.10** A Player who has represented one Union or Olympic Team in an Olympic Event and who has changed his nationality or acquired a new nationality, may apply to participate in an Olympic Event to represent his

new Union or country provided that at least three years have passed since the Player last represented his former Union or country and the approval of the International Olympic Committee, the relevant National Olympic Committee(s) and the IRB is obtained. This period may be reduced or even cancelled with the agreement of the IRB and the National Olympic Committees concerned and by the IOC Executive Board, which takes into account the circumstances of each case.

- 8.11** A Player may not represent two different Unions or a Union and an Olympic Sevens Team(s) of a National Olympic Committee in the same Olympic Event(s).
- 8.12** Once the Player has represented the Union of which he is a national, in an Olympic Event, he shall thereafter be tied to that Union for all forms of the Game and in all events.
- 8.13** Players who participate in the Olympic Events accept and agree that any disputes relating to eligibility shall first be addressed pursuant to the rules of such Olympic Events and the IRB Regulations and that all internal procedures (including applicable National Olympic Committee rules/procedures) and/or IRB procedures shall be exhausted first. Thereafter, recourse may be had in respect of Olympic Events only (and not in relation to eligibility matters to which Regulation 8.6 to 8.16 does not apply) to the Court of Arbitration for Sport (CAS) in accordance with the provision applicable before such court and which will resolve definitively the dispute in accordance with the code of sports related arbitration. The IRB has the right to appear, attend and/or participate as a party in any appeal to CAS involving eligibility considerations for Olympic Events.
- 8.14** Any Union wishing to obtain clarification around the eligibility of a Player to represent it in the Olympic Games or Olympic Events may do so by referring the matter to the IRB Regulations Committee in accordance with Regulation 2 and Regulation 8.7.1 and 8.7.2.
- 8.15** The list of Olympic Events is set out in Schedule 2 and shall be updated for each Olympic cycle.
- 8.16** The provisions of Regulation 8.5 apply equally to any alleged breach of the Olympic eligibility provisions.

Explanatory Guidelines on the Implementation of Regulation 8 – Olympic Eligibility

With the re-introduction of Rugby Sevens into the Olympic Games in Rio in 2016 there are certain rules which participants must adhere to for eligibility purposes. The Olympic Eligibility Regulations (8.6 to 8.16) have been introduced to accommodate the Olympic Charter Rules. To assist in the implementation of these Regulations, the following Guidelines have been developed to address the specifics around Olympic Sevens eligibility which differs from that of IRB eligibility requirements in that it is based solely upon a nationality consideration alone. The two sets of rules have been combined to achieve harmony between the objectives and underlying philosophy of Regulation 8 and the requirements of the Olympic Charter in the context of participation in Olympic Events. These Explanatory Guidelines must be read in conjunction with the terms of Regulation 8 and the Guidelines thereto.

1. Who is eligible to play Olympic Sevens?

Any Player who meets the eligibility criteria in 8.1 and holds the nationality of the Union / country they wish to represent in the Olympic Games or Olympic Qualification process (known as the “Olympic Events”). The eligibility rules in the Olympic Charter together with the IRB eligibility rules must be complied with by Players who participate in Olympic Events.

2. Must a Player have the passport of the Union / country he represents in Olympic Sevens?

The nationality of the Union / country the Player wishes to represent in Olympic Sevens is a requirement under the Olympic Charter and is therefore necessary for participation in Olympic Events. Nationality is ordinarily demonstrated by the Player holding the passport of the Union / country they wish to represent. All matters relating to the determination of the country which a Player may represent in the Olympic Games shall ultimately be resolved by the IOC Executive Board.

3. Who will decide on Olympic Sevens eligibility?

Ordinarily, the assessment of whether a Player satisfies the eligibility criteria in Regulation 8.1 and 8.6 will be straightforward. However, in all cases where a Player who has been captured under Regulation 8.2 and who holds the nationality of another Union / country and wishes to participate in an Olympic Event(s) for the Union / country of which he is a national, the Player may apply to the IRB to represent the National Representative Sevens Team of that Union (or the Olympic Sevens Team of an National Olympic Committee), and the case shall be determined in the first place by the IRB Regulations Committee. In the event there are other cases of uncertainty or there is the need for clarification a referral may be made to the IRB Regulations Committee.

4. What is required to be submitted to the Regulations Committee?

Applications should be submitted to the IRB accompanied by all relevant supporting documents by the Union (or in applicable cases where there is no Union, the National Olympic Committee (“NOC”)) of the country the Player wishes to represent in an Olympic Event. The application shall be pre-notified to the Player’s Union (namely the Union who’s National Representative Team the Player has previously represented. The Player’s Union may make written submissions to the IRB Regulations Committee or may be invited to do so.

5. Can a Player with dual nationality, or having IRB eligibility for one Union but the nationality of another, represent both Unions / countries in the same Olympic qualification process?

No. A Player may only represent one Union / country in the Olympic Events. For example if a Player played for a Union in the Sevens World Series in the year it was designated as an Olympic Event the Player could not later in the same Sevens World Series play for another Union / country even in circumstances where he was deemed eligible by the Regulations Committee to play for the second Union / country of which he is a national. The principle of Regulation 8.2 applies equally to Olympic Events, such that if a Player, having represented one Union / country in an Olympic Event they may not represent another Union / country thereafter.

6. Can a Player switch nationality?

Nationality is a matter which is governed by nation states. If a Player does switch nationality the effect of this upon their Olympic eligibility would need to be considered taking into account Regulation 8.6 to 8.16 and the Olympic Charter Rules regarding eligibility which can be found at www.olympic.org. However, a Player who has represented one Union / country in an Olympic Event(s) and who has changed their nationality or acquired a new nationality may participate in Olympic Events to represent their new Union / country provided that at least three (3) years have passed since the Player last represented their former Union / country and the approval of the International Olympic Committee, the relevant National Olympic Committee(s) and the IRB is obtained.

7. How will the Olympic eligibility criteria be assessed?

In the early days of the Olympic participation the view has been taken by the IRB that the Regulations Committee should assess all cases where a Player who has already been captured for a Union under the one Union only rule (Regulation 8.2) but wishes to subsequently play for another Union / country for which s/he holds nationality in an Olympic Event.

8. Is there any stand-down period?

Yes. The Player will be required to observe and demonstrate a stand down period of three (3) years between the time the Player last played for his Union and the time the Player first represents the second Union, which must be in an Olympic Event. Played, shall mean when s/he played for the senior, next senior or senior sevens National Representative Team of that Union for which s/he is captured. The principles of Regulation 8.3 apply in any assessment of this provision.

9. What does 'first represents' mean?

It means the first occasion when the Player represents the second Union in a Match, Tournament or Series of Matches – which must be in an Olympic Event. The Player would not however, be permitted for example to participate in pre-season Matches or so-called 'friendly' matches or other Matches which are not Olympic Events representing the second Union. Training with the team of the second Union is permitted but the circumstances should not be such that it presents or implies to third parties that the Player is part of the National Representative Sevens Team or Olympic Sevens Team of the second Union / country.

10. How will the stand-down period be assessed?

The onus will be on the Player to demonstrate to the reasonable satisfaction of the Regulations Committee the last occasion upon which s/he played for their former Union and that they have not represented such Union in the three year period before they represent their new Union / country in an Olympic Event.

11. Are these Olympic Guidelines to be read with the IRB Eligibility Guidelines?

Yes, both sets of Guidelines should be read together.

12. What is the position for Unions who do not have a single NOC to represent them?

Member Unions of the IRB are not necessarily recognised in their own right with equivalent NOC's, for example the British Olympic Association (Team GB) is the NOC for Great Britain and therefore encapsulates the IRB Unions of England, Scotland, Wales and Northern Ireland (represented by the all-Ireland body of the IRFU). In such case, Players from the underlying Unions would be eligible (where they comply with Regulation 8.1 and 8.6) to represent the Olympic Sevens Team of the NOC (if selected) in relevant Olympic Events.

13. If a Player plays for a combined team in an Olympic Event does it affect his eligibility in relation to the IRB?

If a Player plays for a combined team of a country in an Olympic Event (e.g. Team GB) and he was previously **not** captured for a Union (under Regulation 8.2) then the Player will be deemed to be captured for one of the underlying Unions of the combined team of country he represented. So in the case of Team GB it would mean that the Player would then be free to play for one of England, Scotland, Wales and/or Ireland.

If a Player plays for a combined team of a country in an Olympic Event (e.g. Team GB) and he was previously **was** captured for a Union (under Regulation 8.2) then the Player remains captured for such Union and their participation in the combined team in the Olympic Event will not affect their status.

14. Is there a right of appeal from the decision of the IRB Regulations?

Yes. An Olympic Eligibility appeals committee has been established under Regulation 2 to deal with any appeals of decisions by the IRB Regulations Committee.

15 For the Olympic Games 2016 in Rio, do any special provisions apply?

Rugby Sevens will enter the Olympic Games for the first time in 2016. The qualification process has been established and all persons eligible to participate must have qualified by 11 July 2016. In terms of eligibility, the three (3) year stand-down period applies. However, given the timing of the clarification of the qualification process and the constitutional review of the eligibility requirements for Olympic Events a shorter stand-down period in respect **only** of the Olympic Games 2016 shall apply. In this regard any Player who wishes to represent a Union / country for whom s/he holds the nationality and has previously been captured for another Union may do so provided the Player stands down from their current Union at least 18 months before representing the Second Union in an Olympic Event in the Rio Olympic Games cycle.

This will be Rugby Europe's policy for these Tournaments and Unions must ensure that **all** relevant documentation is complete and available for inspection by the Tournament Director in advance of the Tournament.

APPENDIX ONE

IRB Guideline – Under 18s Playing Adult Rugby

In this Guideline the following phrases have the following meanings:

Adult Rugby:	Rugby played by teams comprising players normally of 18 years of age and older. For the avoidance of doubt, this includes games played at the under 20 and under 19 levels and rugby sevens;
Community/Participant Rugby:	Rugby other than Elite Rugby;
Elite Rugby:	Rugby played between representative teams of unions, cross border rugby played between the senior clubs, provinces, states and other sub-unions or associations of unions and such other rugby within its territory as a union may decide is Elite Rugby; and Elite Adult Rugby shall be Elite Rugby played by teams comprising players normally of 18 years of age and older;
Under 18:	being under 18 years of age.

1. Introduction

Under 18 players should not normally play Adult Rugby.

This Guideline relates to players who are Under 18 who wish to play or be involved in training for Adult Rugby and differentiates between Elite Adult Rugby and Community/Participation Rugby because of:

- 1.1. the intensity of Elite Rugby;
- 1.2. the physicality and fitness of Elite Rugby Players;
- 1.3. the ability to monitor regulations and protocols specific to Elite Rugby;
- 1.4. the expert professional advice and support normally available to Elite Rugby Players;

and

- 1.5. the disparity between Community Rugby played in different Unions making the setting of common guidelines inappropriate.

2. Elite Rugby

Because of the particular nature of the front row from other positions different criteria apply before an Under 19 player may play Elite Adult Rugby. This specific requirement does not apply to players who may play in the front row in rugby sevens.

2.1. Front Rows (excluding rugby sevens)

An Under 19 player should not play Elite Adult Rugby in the front row unless the following are obtained:

- a. written agreement from the player in writing to play Elite Adult Rugby in the front row and acceptance of any associated risk of playing with Adults who may be stronger and more physically developed than him;
- b. written confirmation from a medical practitioner with an understanding of the demands of Elite Rugby to whom the player is known that the player is in a physical condition to play Elite Adult Rugby in the front row and that this view is supported by a musculo-skeletal evaluation and other appropriate assessments;
- c. written agreement from a medical officer with an understanding of the demands of Elite Rugby employed or retained by the player's home union that the player is in a physical condition to play Elite Adult Rugby in the front row and that this view is supported by a musculo-skeletal evaluation and/or other appropriate assessments;
- d. written confirmation from a coach with an appropriate understanding of the physical attributes required of and the risks to players in the front row in Elite Adult Rugby and to whom the player is known that the player has the requisite skills and experience to play Elite Adult Rugby in the front row; and
- e. such other consents or confirmations (if any) as may be required by the player's home union or to comply with the local jurisdiction.

2.2. Positions other than front row (but including all positions in rugby sevens)

An Under 18 player should not play Elite Adult Rugby unless the following are obtained:

- a. written agreement from the Under 18 player in writing to play Elite Adult Rugby and acceptance of any associated risk with playing with Adults who may be stronger and more physically developed than him;
- b. parental or legal guardian's consent in writing;
- c. written confirmation from a medical practitioner with an understanding of the demands of Elite Rugby to whom the player is known that the player is in a physical condition to play Elite Adult Rugby and that this view is supported by a musculo-skeletal evaluation and/or other appropriate assessments;
- d. written agreement from a medical officer with an understanding of the demands of Elite Rugby employed or retained by the player's home union that the player is in a physical condition to play Elite Adult Rugby and that this view is supported by a musculo-skeletal evaluation and/or other appropriate assessments;
- e. written confirmation from a coach with an appropriate understanding of the physical attributes required of and the risks to players in Elite Adult Rugby and to whom the player is known that the player has the requisite skills and experience to play Elite Adult Rugby; and
- f. Such other consents agreements or confirmations (if any) as may be required by the player's home union or to comply with the local jurisdiction.

2.3. Records

The player's home union:

- a. must keep a full and permanent record of the process undertaken and the consents, confirmations and agreements sought and obtained in relation to each Under 18 player or Under 19 Front Row player who plays Elite Adult Rugby; and
- b. if so reasonably required by the IRB (or if required by the organiser of a competition in which the Under 18 player or Under 19 Front Row player is to take part) to provide certification or evidence of the process that has been undertaken and the consents, agreements and

confirmations obtained in accordance with either paragraphs 2.1, or 2.2 above.

3. Participation /Community Rugby

The union having jurisdiction over the Community Game in its territory shall decide having regard to safety, player welfare and local conditions and circumstances on the policy, regulations and/or guidelines applicable if Under 18 players are to be permitted to play Adult Rugby.

8.3 Rugby Europe and Olympic Qualification Tables

8.3.1

In a manner consistent with the HSBC World Series, separate tables will be maintained for the two competitions being carried out at **each** Tournament. The two competitions being the Rugby Europe Competition and the Olympic Qualification competition.

For example, within the Sevens Grand Prix Series, Rugby Europe will maintain an SGPS Table and an Olympic Qualification table. The difference between the two will be that the teams ineligible or that are not seeking Olympic qualification will not be included within the Olympic qualification table.

8.3.2

For the avoidance of doubt, teams who are eligible and that are seeking Olympic Qualification, will have the number of Tournament points in both tables.

Ex : A Team who finishes in 5th position in a given Rugby Europe Tournament will receive 12 points (see above). This team will have the same number of points (12) within the Olympic qualification table irrespective of whether an ineligible team or one not seeking to qualify scores more tournament points within the Rugby Europe competition.

8.4 Teams on equal points on the GPS, Division A and Olympic Qualification Table

8.4.1

The following Clauses deal with the issue of two teams being equal on Series points at any time during the course of the Tournaments. The Clauses below apply to the Sevens Grand Prix Series, Division A tournament and the Olympic Qualification table.

8.4.2

(i) In the event of two or more Teams being equal on points for any position on the SGPS, Division A and / or Olympic Qualification table, such position shall be determined on the margin of points scored for and against the Team (in all Matches) with the highest margin of points scored for and against being considered the leading Team in the respective position.

(ii) In the event (i) above not providing a decision, the position on the table will be determined on the basis of the Team scoring the most tries in all matches in the Tournament(s)

(iii) In the event of (i) and (ii) above not providing a decision, the position on the table will be determined by the Teams' ranking from the previous and / or final Tournament. The team ranked higher in the preceding and / or final Tournament will be ranked higher in the overall SGPS, Division A and / or Olympic Qualification Table

8.5 12 Team Tournament Format

8.5.1 All Rugby Europe Senior Men's 7s competitions will consist of a 12-Team format with 3 pools of 4 teams.

Band 2 Draw	Band 2 Draw	Band 2 Draw

- (i) If a Team wilfully refuses to play, or wilfully abandons a Match in progress, without the prior consent of the referee, then, subject to confirmation by the Disputes Committees, that Team will be expelled from the Tournament.

11.3.1 TUE Application

A TUE application requires supporting medical information to be provided along with the application form. This includes a comprehensive medical history, results of all examinations, laboratory investigations, specialist medical reports and if relevant imagery studies to support the application.

The application will be reviewed by the Board TUE Committee against the WADA International Standard for Therapeutic Use Exemptions to determine if the application receives approval. This process must occur **before** a Player is authorised to take the Prohibited Substance that he has applied for to treat their medical condition unless emergency situations or exceptional circumstances occur preventing this in which case the Player must apply for retroactive TUE approval. A retroactive TUE application must be lodged to the TUE Committee within 48 hours of such circumstances occurring this includes pre- or during the Tournament.

Any TUE application for Players participating in the Tournament must be received by the Board TUE Committee **no later than 21 days prior to the start of the Tournament** to allow the Board TUE Committee time to review the application.

Further information and the TUE application form can be found under Schedules 3(a) & 3(b) of World Rugby Regulation 21 available on www.keeprugbyclean.worldrugby.org under the Regulations tab. A copy is also attached as Appendix B.

Details for TUE submissions:

All TUE applications may be submitted by email TUE@worldrugby.org If any part of the application is not suitable for transmission via these means then the application and/or accompanying supporting evidence may be posted to Chairman of the TUE Committee, World Rugby, Pembroke House, 8 - 10, Pembroke Street Lower, Dublin 2, Ireland.

11.3.2 Players that currently have a valid TUE from World Rugby

Any Player that has a current and valid TUE issued to them from the Board TUE Committee which is valid is not required to apply for a new TUE specifically for the Tournament provided the current TUE is valid for the duration of the Tournament and the conditions (such as the substance, route of administration and/or dosage etc.) have not changed.

11.3.3 Mutual Recognition of TUEs

Any Player who has been granted a TUE approval by another Anti-Doping Organisation's TUE Committee (i.e a National Anti-Doping Agency) that is current and valid must submit a copy of the application and the certificate of approval to the Chairman of the Board TUE Committee. This must be submitted in accordance with the timeline set out above i.e. 30 days prior to the start of the Tournament. The Board TUE Committee reserves the right to review any TUE application where prior approval has been made by another Anti-Doping Organisation's TUE Committee.

11.4 Nutritional Supplements & Medications

Following a number of recent Adverse Analytical Findings from Players involving nutritional supplements containing Prohibited Substances, all Participating Unions are urged to advise their Players of the dangers and risks of Prohibited Substances appearing as part of a mixture within nutritional supplements and to check the supplements their Players are taking. Participating Unions are reminded of the strict liability principle that applies to the Series Anti-Doping Programme, the effect of which is that Players are responsible for any Prohibited Substances found in their system. All Players and Team management are referred to the World Rugby 's policy on nutritional supplements and a fact sheet on MHA contained within

the World Rugby anti-doping educational handbook or on World Rugby's anti-doping website www.keeprugbyclean.worldrugby.org

This also applies to the use of medications and all Players should be consulted by the Team physician prior to taking any medication (whether over the counter or prescribed) to ensure such medication does not contain Prohibited Substances which may result in an Adverse Analytical Finding or that requires a Therapeutic Use Exemption. The WADA Prohibited List can be found under Schedule 2 of World Rugby Regulation 21 or via www.keeprugbyclean.worldrugby.org

11.5 In Competition Testing

In Competition testing takes place immediately after a Match. Testing may occur after any Match during the Tournament. Normal practice is that the World Rugby Anti-Doping department will make the selections including any reserve selections.

The reserve selections may be used in the case of a selected Player being seriously injured and requiring immediate hospitalisation or not being in a fit physical or mental state to complete the process as determined by the Tournament medical officer. For the avoidance of doubt, if a selected Player is injured or is replaced for any reason prior to the start of a Match i.e injured in a previous Match or in the warm up, they shall remain selected for testing unless they require immediate hospitalisation.

The selections will not be made known to the Player's Team management until the end of the Match. The Doping Control Officer or World Rugby Anti-Doping Commissioner is not required to justify why a Player/s have been selected for testing.

11.6 Out of Competition Testing

Any Player that is selected or scheduled to participate at a Tournament may be tested Out of Competition at any time or place during the Tournament. (i.e. prior to 12.00am on the day of the commencement of a Tournament or more than 24 hours after the conclusion of a Tournament).

Those Players who are also part of World Rugby's Registered Testing Pool or Testing Pool for the purpose of Out of Competition Testing remain subject to the whereabouts requirements and consequences as set out in World Rugby Regulation 21.10 during a Tournament. All such Players must keep their Player whereabouts information up to date at all times including while competing at the Rugby Europe 7s Competitions.

All Testing shall be conducted with No Advance Notice by an authorised Doping Control Officer. A Player may be selected for Out of Competition testing by either random or target selection.

11.7 Provision of the Sample

The Player shall be required to provide a minimum urine Sample of 90ml; however, the Player should attempt to provide a greater amount if possible.

Once the Player has provided their Sample, they shall keep control of the Sample at all times until the Sample is sealed. The Doping Control Officer shall keep the collection vessel in sight at all times. Additional assistance may be provided in exceptional circumstances to any Player by the Player's representative or Doping Control Officer during the Sample collection session where authorised by the Player and agreed to by the Doping Control Officer / Anti-Doping Commissioner.

Blood testing may also be conducted in conjunction with urine testing on its own. A qualified blood collection official will be responsible for the collection if the blood testing is conducted. Further information

of sample collection can be found in Schedule 1 of the World Rugby Regulation 21 or within the World Rugby Anti-Doping educational handbook.

11.8 Player Representative and interpreters

Any Player selected for Doping Control during the Tournament is entitled to have a representative present with them during the Doping Control process in the Doping Control Station. All Participating Unions are urged to have a representative available to sit through the process (except the sample provision) with their Players.

If the Player does not speak English (or the same language as Doping Control staff), then their Team will be responsible for the provision of a person who can interpret and assist in the communication of the Doping Control process between the Player and the Doping Control staff.

This may be the same person who acts as the Player representative or an additional person to the representative.

11.9 Anti-Doping Education

World Rugby Anti-Doping educational information and resources are available in English, French, Spanish and selected other languages in the resources section of the World Rugby Anti-Doping website www.keeprugbyclean.worldrugby.org. It is the responsibility of each Participating Union to ensure that each Player, Team Manager, Team Coach and medical support personnel who participates in the Rugby Europe Under 18 Championship has either received or been given access to (in hard copy, electronic, or any other means) the World Rugby Anti-Doping educational resources in particular the World Rugby Anti-Doping Handbook.

The Participating Union is responsible for ensuring that any new Players, Team Managers, Team Coaches and/or medical support personnel who join its squad during the Tournament also receive a copy of the handbook.

Further to the World Rugby Anti-Doping Handbook www.keeprugbyclean.worldrugby.org/handbooks, an Anti-Doping e-learning programme is available at www.keeprugbyclean.worldrugby.org/?module=1. It is mandatory that all participating Players complete the E-Learning programme before they depart to the Tournament. World Rugby also encourages Team Managers, Team Coaches and medical support personnel who participate in the Tournament to complete this programme to help strengthen their knowledge of Anti-Doping. Unions must ensure that all of their Team Members access the website, register and complete the programme which should take about half an hour.

The modules consist of the following topics:

1. Keep Rugby Clean
2. World Rugby Anti-Doping
3. Doping Control
4. Player Whereabouts
5. Therapeutic Use Exemptions
6. Checking Medications
7. WADA Prohibited List
8. Dietary Supplements
9. Consequences of Doping
10. Responsibilities

The World Rugby e-learning programme is currently available in 6 languages English, French, Spanish, Italian, Romanian and Russian. Unions are requested to assist Teams which do not speak one of those languages to complete the programme.

Each participating Union is required to tick the relevant box and sign the Team Member Consent Form (Appendix B) and report back to the tournament operators once the World Rugby e-learning programme is completed. By signing the attached form, all Players and Team Managers confirm that they have read the World Rugby Anti-Doping Handbook and have completed World Rugby's e-learning programme.

11.10 Outstanding Anti-Doping Matters

In accordance with Clause 34 of the Programme, it is the responsibility of each Participating Union to ensure that there are no outstanding Sample results, anti-doping rule violation cases and/or ongoing investigations in respect of Players or Persons (relating to possible anti-doping rule violations) who form part of or are intended to form part of the Participating Unions Team in respect of the Tournament.

All Participating Unions shall not select a Player or Players to participate in the Tournament if they are aware of any of the following in relation to the Player or Players:

- (a) The existence of any Samples provided pursuant to drug tests in respect of which analysis results have yet to be provided. Participating Unions should contact their National Anti-Doping Organisation to avoid where possible any outstanding results prior to the departure of a Team to the Tournament. Participating Unions are encouraged to arrange for expedited analysis of any Sample/s collected by a National Anti-Doping Organisation in relation to Players scheduled to participate in the Tournament in the weeks prior to the departure of a Team to the Tournament where possible;
- (b) The existence of any outstanding disciplinary proceedings in respect of any anti-doping matters including but not limited to anti-doping rule violations and/or investigations;
- (c) The existence of any outstanding appeal proceedings in relation to the proceedings referred to in (b) above;
- (d) Any period of suspension from the Game in force during the Tournament Term as a result of any anti-doping rule violations.

If a Participating Union selects a Player or Players and subsequently discovers any of the items listed in (a) – (d) above the Participating Union shall advise the World Rugby Anti-Doping Manager immediately. In circumstances where such advice is not provided or not provided immediately the Board shall be entitled to take such steps as it deems appropriate including but not limited to requiring that the relevant Participating Union(s) and/or the relevant authority expeditiously has the matter dealt with and/or provisionally suspends the Player(s) or other Person(s) from any involvement in the Tournament and/or the Game pending the final determination of the matter. The Board may bring disciplinary action against a Participating Union under this Clause where appropriate.

World Rugby Regulation 6 (Anti-Corruption and Betting), as updated from time to time, set out the applicable Anti-Corruption and Betting Regulations for the Tournament.

World Rugby Regulation 6 is available at www.worldrugby.org/integrity.

Any changes to Regulation 6 will be notified to all Unions by World Rugby and the updated version posted on the World Rugby website. In the event that World Rugby Council amends Regulation 6, Regulation 6 as approved by World Rugby Council shall take precedence. The Company may update and/or amend this section of the Terms of Participation from time to time as appropriate and shall advise the Participating Unions accordingly.

Prohibition on Betting

For the avoidance of doubt, all Team Members participating in the Tournament are "Contract Players" and/or "Contract Player Support Personnel" as defined in Regulation 6.2. Accordingly, all Team Members are subject to Regulation 6.3.1(c) and (d) which means that **no Team Member may bet on any rugby event**, as further set out in Regulation 6.3.1.

Sanctions

Team Members are reminded that the maximum potential sanction for a breach of Regulation 6 (including a breach of the prohibition on betting) is a life suspension from any involvement in the Game.

Education

To ensure that all Team Members (players and team management) are aware of their obligations under the Regulations, they are required to log on and complete the World Rugby *Keep Rugby Onside* anti-corruption and betting education programme available at www.worldrugby.org/integrity in 13 languages. Completion of this programme is compulsory prior to participation in the Tournament and all Team Members will be required to certify this when signing the Team Member Consent Form.

13. Tournament Disciplinary Regulations

World Rugby Regulations 17 (Discipline - Foul Play) and 20 (Misconduct and Code of Conduct), as updated from time to time, set out the applicable Tournament Disciplinary Regulations for the Tournament, subject to any permitted modifications set out below.

World Rugby Regulations 17 and 20 are available at <http://www.worldrugby.org/regulations>. The Code of Conduct is also set out at the conclusion of these Tournament Disciplinary Regulations.

Any changes to Regulations 17 and 20 will be notified to all Unions by World Rugby and the updated and posted on the World Rugby website. In the event that World Rugby Council amends Regulations 17 or 20 or there is any discrepancy between these Tournament Disciplinary Regulations and the Regulations, World Rugby Regulations 17 and 20 as approved by IRB Council shall take precedence. The Company may update and/or amend this section of the Terms of Participation from time to time as appropriate and shall advise the Participating Unions accordingly.

The procedures and powers of Judicial Officers, Appeal Officers and Appeal Committees are set out in World Rugby Regulation 18, also available at the above link.

References to the Host Union in World Rugby Regulation 17 may also be read as references to the Company, which shall administer the Tournament Disciplinary Regulations.

References to the Designated Disciplinary Official in World Rugby Regulation 17 shall refer to the person(s) nominated by the Company to fulfil such role in relation to the Tournament and/or particular Matches within the Tournament.

Temporary Suspensions and Citing Commissioner Warnings – New Regulation 2015

The procedures with respect to Temporary Suspensions and Citing Commissioner Warnings set out in Regulation 17.35 shall apply to the Tournament.

If a player receives 5 Yellow Cards, or warnings from the Citing Commissioner, or a combination of the 2 (totalling 5) within a Series of RUGBY EUROPE 7s Competitions (7s Grand Prix Series and Mens Division A), this player will be subject to a disciplinary Hearing and may receive a suspension from playing (Reg. 17).

Appeals

In addition to the appeal procedures set out in IRB Regulation 17.36 each notice of appeal shall be accompanied by a deposit in the sum of **€1,000** which shall be payable to the Company.

General Obligations

Participating Unions are reminded that they are responsible and accountable for the conduct of their Players, Team Members and other persons in attendance at the Tournament in an official capacity with the Participating Union and must ensure that their conduct is of the highest standard and that Matches are played in accordance with disciplined and sporting behaviour.

Each Participating Union and Team Member agrees to be bound by and comply with the provisions and requirements of the Tournament Disciplinary Regulations and any decisions made thereunder. Each Participating Union also acknowledges its responsibility and accountability for the acts and/or omissions of other persons in attendance at the Tournament in an official capacity with the Union.

Flowcharts, set out in Appendix 1 and Appendix 2 of this Section, summarise the procedures in relation to Foul Play in the Tournament Disciplinary Regulations and have been prepared to assist Participating Unions and Team Members. However, the flowcharts do not represent a substitute for the Tournament Disciplinary Regulations and World Rugby Regulation 17, should not be considered in isolation and, in the event of any inconsistency, the Tournament Disciplinary Regulations and World Rugby Regulation 17 shall prevail.

All Participating Unions are required to provide certification in writing to the Tournament Director by **24th April, 2015**, that having undertaken all necessary enquiries, they are not aware of any of the following in relation to the players to participate in the Tournament:

- (i) the existence of any outstanding disciplinary proceedings in respect of Foul Play and/or Misconduct;
- (ii) the existence of any outstanding appeal proceedings in relation to the above;

- (iii) that the Player is not subject to any suspension from the Game as a result of disciplinary proceedings, appeal proceedings or otherwise.

If a Participating Union is unable to provide such certification, then the Participating Union shall inform the Tournament Director of the reason for this, and the Tournament Director shall take action as appropriate.

Foul Play Sanctioning Process

The attention of Participating Unions is drawn in particular to the sanctioning process set out in Regulation 17 and, in particular, the issues the Player will be required to address before the Judicial Officer if found to have committed an act of Foul Play. For Participating Unions' ease of reference the relevant provisions from Regulation 17 are reproduced below:

17.19 Sanctions and Core Sanctioning Process

17.19.1 *In any case where a Disciplinary Committee or Judicial Officer considers an incident(s) of Foul Play has occurred, it/he may decide to impose a sanction in accordance with the provisions of this Regulation 17.19. When imposing sanctions, all Disciplinary Committees or Judicial Officers dealing with an Ordering Off and/or citing shall apply the IRB's sanctions for Foul Play set out in Appendix 1 and do so in accordance with this Regulation 17.19.*

Assessment of seriousness of the Foul Play

17.19.2 *Disciplinary Committees or Judicial Officers shall undertake an assessment of the seriousness of the Player's conduct that constitutes the offending and categorise that conduct as being at the lower end, mid range or top end of the scale of seriousness in order to identify the appropriate entry point for consideration of a particular incident(s) of Foul Play where such incident(s) is expressly covered in Appendix 1. The assessment of the seriousness of the Player's conduct shall be determined by reference to the following features:*

- (a) *whether the offending was intentional or deliberate;*
- (b) *whether the offending was reckless, that is the Player knew (or should have known) there was a risk of committing an act of Foul Play;*
- (c) *the gravity of the Player's actions in relation to the offending;*
- (d) *the nature of the actions, the manner in which the offence was committed including part of body used (for example, fist, elbow, knee or boot);*
- (e) *the existence of provocation;*
- (f) *whether the Player acted in retaliation and the timing of such;*
- (g) *whether the Player acted in self-defence (that is whether he used a reasonable degree of force in defending himself);*
- (h) *the effect of the Player's actions on the victim (for example, extent of injury, removal of victim Player from the game);*
- (i) *the effect of the Player's actions on the Match;*
- (j) *the vulnerability of the victim Player including part of victim's body involved/affected, position of the victim Player, ability to defend himself;*
- (k) *the level of participation in the offending and level of premeditation;*
- (l) *whether the conduct of the offending Player was completed or amounted to an attempt; and*

- (m) any other feature of the Player's conduct in relation to or connected with the offending.

Based on the assessment of the offence(s) under consideration against the above features of offending, the Disciplinary Committee or Judicial Officer shall categorise the act of Foul Play as being at the lower end, mid range or top end of the scale of seriousness of offending and identify the applicable entry point as set out in Appendix 1.

- 17.19.3 For offences categorised at the top end of the scale of seriousness of offending, the Disciplinary Committee or Judicial Officer shall identify an entry point between the period shown as the top end for the particular offence and the maximum sanction in Appendix 1.¹

Aggravating Factors

- 17.19.4 Having identified the applicable entry point for consideration of a particular incident, the Disciplinary Committees or Judicial Officers shall identify any relevant off-field aggravating factors and determine what additional period of suspension, if any, above the applicable entry point for the offence should apply to the case in question. Aggravating factors include:

- (a) the Player's status generally as an offender of the Laws of the Game;²
- (b) the need for a deterrent to combat a pattern of offending in the Game; and
- (c) any other off-field aggravating factor(s) that the Disciplinary Committee or Judicial Officer considers relevant and appropriate.

Mitigating Factors

- 17.19.5 Thereafter, the Disciplinary Committee or Judicial Officer shall identify any relevant off-field mitigating factors and determine if there are grounds for reducing the period of suspension and subject to Regulations 17.19.6 and 17.19.7 the extent, if at all, by which the period of suspension should be reduced. Mitigating factors include the following:

- (a) the presence and timing of an acknowledgement of culpability/wrong-doing by the offending Player;
- (b) the Player's disciplinary record and/or good character;
- (c) the youth and inexperience of the Player;
- (d) the Player's conduct prior to and at the hearing;
- (e) the Player having demonstrated remorse for his conduct to the victim Player including the timing of such remorse; and
- (f) any other off-field mitigating factor(s) that the Disciplinary Committee or Judicial Officer considers relevant and appropriate.

- 17.19.6 Subject to Regulations 17.19.7 and 17.19.8, for acts of Foul Play the Disciplinary Committee or Judicial Officer cannot apply a greater reduction than 50% of the relevant entry point suspension. In assessing the percentage reduction applicable for mitigating factors, the Disciplinary Committee or Judicial Officer shall start at 0% reduction and apply the amount, if any, to be allowed as mitigation up to the maximum 50% reduction.

¹ The plus sign against each top end period suspension denotes this entitlement and flexibility.

² The Player's disciplinary record in all competitions and (as appropriate) in other sports during his playing career from the age of 18 shall be considered by a Disciplinary Committee or Judicial Officer. In any case in which the Disciplinary Committee or Judicial Officer establishes that the Player has previously been found by a Judicial Officer and/or Disciplinary Committee to have committed any act of Foul Play and/or Misconduct then the Disciplinary Committee or Judicial Officer in imposing any sanction on the Player may in fixing that sanction take account of such offending as an aggravating factor.

17.19.7 *In cases involving offending that has been classified pursuant to Regulation 17.19.2 as lower end offending, where:*

- (a) *there are off-field mitigating factors; and*
- (b) *where the Disciplinary Committee or Judicial Officer considers that the sanction would be wholly disproportionate to the level and type of offending involved;*

the Disciplinary Committee or Judicial Officer may apply sanctions less than 50% of the lower end entry sanctions specified in Appendix 1 including in appropriate cases no sanction. In exceptional cases where the Disciplinary Committee or Judicial Officer considers it is warranted it/he may (i) expunge the Ordering Off (Red Card) from the Player's disciplinary record, or (ii) in the case of a Temporary Suspension (Yellow Card) issued by the referee, solely in circumstances attributed to mistaken identity, may expunge the Temporary Suspension from the Player's disciplinary record.

17.19.8 *In cases of multiple offending, Disciplinary Committees and Judicial Officers may impose sanctions to run either on a concurrent or a consecutive basis provided that the total sanction is in all the circumstances proportionate to the level of the overall offending.*

17.19.9 *Disciplinary Committees and Judicial Officers shall ordinarily in their written decisions set out the reasoning for their findings, including the finding on culpability, how they have categorised the seriousness of the offence by reference to the features set out in Regulation 17.19.2, how they identified and applied any aggravating and mitigating factors and conclude with the resultant sanction, if any, imposed.*

17.19.10 *Decisions on sanctions and suspensions imposed on Players under IRB Regulation 17 shall:*

- (a) *be applied universally by Unions, Associations, Rugby Bodies and their constituent bodies such that the Player may not play the Game (or any form thereof) or be involved in any on-field Match day activities anywhere during the period of suspension;*
- (b) *not allow Players to avoid the full consequences of their actions by, for example, playing in Matches prior to the commencement of their suspension, or playing in Matches during a break in the suspension and/or serving their suspension during a period of inconsequential pre-season and/or so-called friendly Matches;*
- (c) *apply and be served when the Player is scheduled to play;*
- (d) *be imposed until a stated date which should be fixed after taking into consideration all playing consequences of such suspension; and*
- (e) *be effective immediately (subject to 17.19.11(b)).*

17.19.11 *When imposing suspensions on Players under Regulation 17 Disciplinary Committees or Judicial Officers shall comply with the requirements set out in Regulation 17.19.10 above. In doing so Disciplinary Committees or Judicial Officers:*

- (a) *must not suspend the effect of any sanction imposed;*
- (b) *may defer the commencement of a suspension provided that the Player is not scheduled to play (and will not be permitted to play) prior to the commencement of the suspension;*
- (c) *shall, in respect of meaningful off-season application of sanctions, set out the reasons why it or he considers those Matches to be meaningful;*
- (d) *may, at its/his discretion in assessing the playing consequences of a sanction apply the suspension to scheduled pre-season and/or so-called friendly Matches, provided such scheduled pre-season and/or so-called friendly Matches have, in the opinion of the Disciplinary Committee or Judicial Officer concerned, a meaningful playing consequence for the Player. In making their assessment Disciplinary Committees and Judicial Officers may, in their discretion, take account of*

such factors as they consider relevant including, for example, the proximity of the Match to the commencement of the season, the identity and stature of the opponents, likely quality of teams to be selected, and the general Match profile;

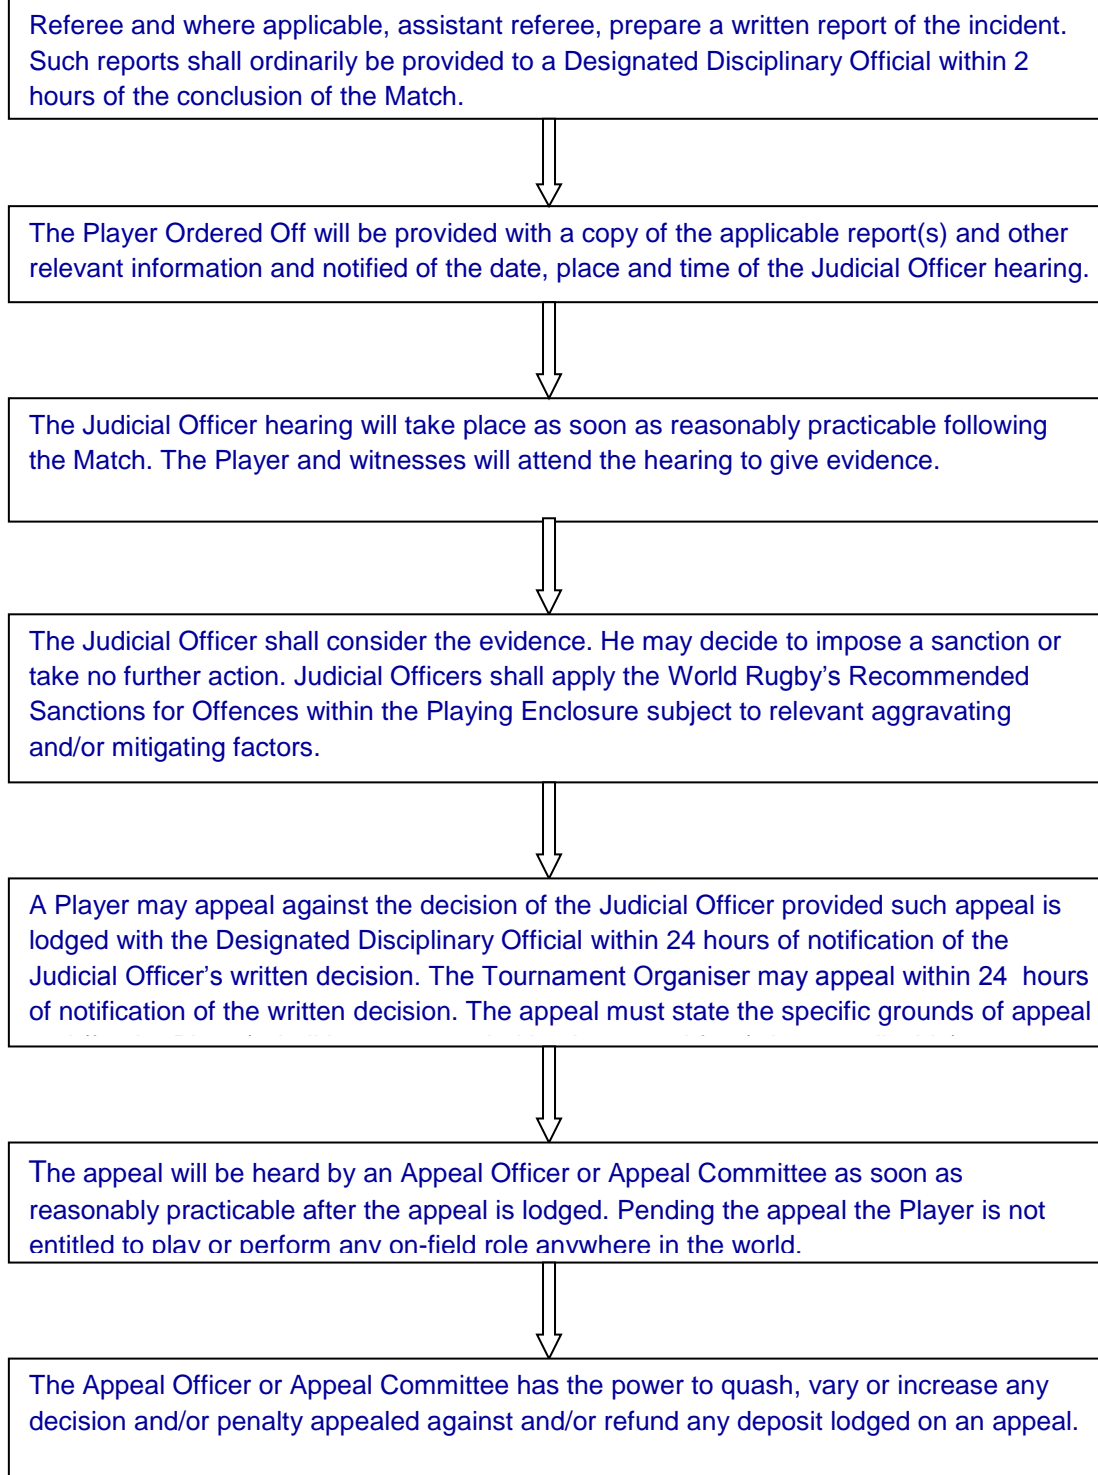

- (e) must, if a Player's suspension has not terminated by the end of the current playing season, continue the suspension until a stated date in the next playing season, unless the Player has been selected for a closed season tour, or he has made plans to play during the close of season in another Union. Forms

The forms which may be used for the purposes of these Tournament Disciplinary Regulations are set out in the Appendices.

Summary of Process when a Player is Ordered Off

Summary of Process when a Player is Cited

Citing Commissioners may cite a Player for Foul Play, which in the opinion of the Citing Commissioner warranted the Player concerned being Ordered Off, notwithstanding that the act of Foul Play may have been detected by the referee and/or assistant referee.

Citing Complaints must be made by the Citing Commissioner to a Designated Disciplinary Official within one hour of the completion of the Match in which the Foul Play is alleged to have occurred.

Participating Unions are not entitled to cite Players (unless Regulation 17.8.3, 17.8.6 and 17.11 apply) but they may refer acts of Foul Play to the Citing Commissioner for consideration, provided such reference is made as soon as possible after the end of the Match. The Citing Commissioner decides whether or not to pursue a citing complaint and his decision is final.

If a citing complaint is initiated by a Citing Commissioner a copy of the complaint and other relevant information is sent to the Player and the matter will be referred to a Judicial Officer.

A Judicial Officer will hear the citing complaint as soon as reasonably practicable and will consider evidence from the Player and other relevant witnesses.

The Judicial Officer shall consider the evidence and determine whether the act(s) of Foul Play have been committed. He may decide to impose a sanction or take no further action. Judicial Officers shall apply the IRB's Recommended Sanctions for Offences within the Playing Enclosure subject to relevant aggravating and/or mitigating factors

A Player may appeal against the decision of the Judicial Officer provided such appeal is lodged with **the Designated Disciplinary Official** within 24 hours of notification of the Judicial Officer's written decision. The Tournament Organiser may appeal within **24** hours of notification of the written decision. The appeal must state the specific grounds of appeal and (for the Player) shall be accompanied by the appeal fee

The appeal will be heard by an Appeal Officer or Appeal Committee as soon as reasonably practicable after the appeal is lodged. Pending the appeal the Player is not entitled to play or perform any on-field role

The Appeal Officer or Appeal Committee has the power to quash, vary or increase any decision and/or penalty appealed against and/or refund any deposit lodged on an appeal.
